Dear Sir,

Re: Letter of Appreciation for Hong Dau Construction Co. Ltd.

This is to certify that Hong Dau Construction Co. Ltd. has been appointed the contractor for the renovation work of our Siu Hong Youth Service Centre in Tuen Mun. The work started from January to March 2000. During the process, we found that staffs of Hong Dau were cooperative and helpful. They would try their best to solve problems that aroused. Moreover, their work was also quite good.

Yours sincerely,

Henry Ly
